## SEPTEMBER 2020 SCHOOL NEWSLETTER

### Message from the Principal

Our first day of school is here! We have missed our time with our students and look forward to a new year of possibilities in delivering our programs and sharing school events in a unique, new way. The COVID-19 pandemic has caused us to think outside of our 'normal' way of doing things at Notre Dame. The staff have worked hard the last few weeks to come up with new ideas and ways to allow all our students to be involved in events we would normally do. Please be open to these new methods as we approach education in a new normal. Our key priority is your child(ren), their health and safety, while providing him/her with the best learning opportunities in a time with new guidelines.

As I begin the year as Principal, I can tell you that Notre Dame is a special place where students are cared about by our whole school team. My door is always open to discuss concerns, new ideas and anything else that comes our way.

*Warmest Welcome, G. Richard*

# News From the Parent Support Group (PSG)

The Notre Dame Parent Support Group (PSG) is comprised of parent volunteers that work together to provide support to the students and staff. In past years we have done this through various fundraisers (i.e. Purdy's, Mom's Pantry, school apparel), Read-a-thon, and our annual carnival). While the major project is additional equipment for the playground, PSG members have also hosted pancake breakfasts, hot chocolate days, student and staff appreciation events, purchased smart boards and classroom furniture, and supported the Grade 6/7 trip, field trips, classroom celebrations, and so much more. Due to Covid-19 our monthly meeting format may be different, but we will be aiming to continue monthly meetings in a safe format. We would love to have you join us! Watch for information in the monthly newsletter and on the school website for updates for the upcoming school year. We are looking forward to a safe and productive school year.

## Health & Safety Checks

Parents / caregivers are required to assess

their child daily for symptoms of common cold, influenza, COVID-19 or other infectious respiratory disease before sending them to school (self-assessment tool:

<https://bc.thrive.health/covid19/en>). If a student develops symptoms while at home, the child is to remain at home.

Students are reminded to wash their hands before coming to school and upon arriving at school.

Notre Dame School is "Allergy AWARE". Please check with your classroom teacher for allergy alerts. Consider peanut/nut alternatives for individual student lunches and snacks out of consideration to our students and staff with food sensitivities/allergies. Please call the office or email the classroom teacher for more information if needed. Thank you for helping with the safety of everyone at Notre Dame.

## Parking Lot Safety:

The Notre Dame Staff Parking lot will be closed at the end of the day for student safety. The large gate at the parking lot will be open for students to exit while physical distancing. This will allow for easier student exiting at the end of the day. **Please park along the road** and walk to the gates or have your child meet you at the sidewalk. Thank you for your support in this safety issue.
